**Please provide information about your entry, including interesting facts and major awards, to be used as commentary for cable television during the taping of the parade on a separate sheet of paper.**

I understand this is a parade competition, not a field competition. I understand any stopping to perform before and/or after the judging stand will result in a loss of competition points. I understand what when my band is asked to move into parade position, they will do so expediently. If we do not, I understand that we may be removed from the parade. I also understand that no advertising or literature can be handed out along the parade route before, during or after the parade. I also understand that no candy or other materials may be thrown from moving vehicles.

**I have read the above information and my parade unit agrees to abide by these rules for the 2010 Celebrate Northeast Parade.**
